Brimming with attitude and broken beyond repair, Isaac "Ice" Wolfe has a heart as cold as his nickname, and he likes it that way—until he meets his neighbor Avery Maxwell. Avery is unlike any woman he's ever known. Her smile thaws his frozen heart. Being with her heals his broken places. She makes him feel, and for Isaac that's not always a good thing. Isaac has burned every bridge in his professional hockey career. When he's traded to the Seattle Sockeyes halfway through their inaugural season, he knows he

*He trusts his gut, she trusts her numbers, and neither trusts the other, as a billionaire's mission to bring hockey to Seattle.*

Ethan Parker, a billionaire determined to bring professional hockey to Seattle, will stop at nothing to realize his dream. He is anxious to make the move to Seattle, but a gag order by the League forces him to keep the sale a secret until he can study his team during the playoffs.

Lauren Schneider, Assistant Director of Player Personnel for the Giants hockey team, gets no respect from the players and genuinely interested in her opinions, she shares the team's weaknesses and discovers a weakness of her own. Based on her unwitting input, his betrayal cuts deeply on both a professional and personal level. Bound by an unwritten code of conduct christened Seattle Sockeyes and her sexy, infuriating boss.

Lauren and Ethan must come to terms with their passions--for the team, for hockey, and for each other. Will they be able to melt the ice shielding their hearts?

  - ▶ Can do up to 90 days
  - ▶ Can post a draft but must post final within 11 days of release
  - ▶ Will lose privileges if you don't make deadline
  - ▶ Help or Hindrance?
    - ▶ Pros:
      - ▶ Presales count on release day for big bestseller lists
      - ▶ Presales count on B&N, iBooks, and Kobo on release day for a big boost
      - ▶ On Amazon, presales help kick in AB's earlier, also New Release chart rankings can start before the 30 days after release, more visibility.
      - ▶ Presales enforce deadlines on authors
    - ▶ Cons:
      - ▶ May destroy the release day boost you might get on Amazon
      - ▶ May put too much pressure on an author to get books done resulting in missed release dates or poor quality books.
  - ▶ Some authors won't do presales again because Amazon doesn't count them on release day
